Voyage Forward Vision

We are one community focused on the future which values our citizens, environment, and unique culture. We are open to all ideas and value the input from our citizens. We understand to improve, we must look to the future and invest in community and economic development.

WHAT'S A STEWARD?

Stewards are ordinary people; people from all walks of life who care deeply about the community. Stewards are leaders who cross boundaries, take an integrated approach and build coalitions for action. They have 360-degree vision, recognizing the interdependencies between the economy, the environment and social equity. Stewards operate at the center of tough issues, not on the edges. They are risk takers. They are passionate and energetic. They are people of vision.
