

Voyage Forward is seeking at-large members to serve on the Voyage Forward Coalition team.

The Coalition serves as the voice of Voyage Forward; informing county citizens of action and progress; marketing; and acting as the single point of contact for the Voyage Forward effort.

The purpose of the Coalition is to organize a seamless and strategic approach to lead, facilitate, communicate and sustain Voyage Forward. The organizational structure will be sensitive to the time of the champions, stewards, and at-large members and will provide constructive accountability while assisting with resource identification.

The Coalition is comprised of one representative from each Destiny Driver and four at-large members. Two of the at-large members must represent Greater Koochiching County (outside of zip codes 56668 and 56649). The at-large membership will alternate terms. Terms will be determined when the at-large members are selected. This is so the Coalition membership does not turn-over 100% of its members at the same time.

Anticipated time commitment: One 90-minute meeting per month for a maximum of three months. Following the initial three months, meetings will be held quarterly at locations throughout the County.

Email your experience, skills, interest in Voyage Forward, and why you would like to participate as an at-large member to info@voyageforward.org no later than August 5th.

Please include: "At Large" in the subject line of the email.

A detailed description of the Voyage Forward Coalition is attached. For more information about Voyage Forward, visit www.voyageforward.org.

THIS IS A VOLUNTEER POSITION WITH NO COMPENSATION.

Questions should be emailed to info@voyageforward.org.

NAME:

VOYAGE FORWARD COALITION

The membership must alternate terms which will be decided on an ongoing basis within the Coalition. (This is primarily so that the Coalition membership does not turn-over 100% of its members at the same time).

The Coalition will nominate a coordinator and secretary to serve for a maximum of two (2) years. Meetings will alternate to Greater Koochiching County locations with a recommendation to host at each of the regional schools: Indus School, Northome School, Littlefork-Big Falls School, and Falls High School.

SUSTAIN

- Protect the Voyage Forward Brand ensuring the mission and vision are at the forefront of each Destiny Driver.
- Provide constructive accountability for Destiny Driver goals and outcomes as needed.
- Collaborate with Economic Development Authorities and other Agencies as needed to sustain the efforts of Destiny Drivers and the vision of Voyage Forward.

FACILITATION PROCESS

The Coalition will meet every 90 days to receive an update from each Destiny Driver Champion or their selected representative. The meetings will provide an opportunity for Champions or Representative to ask questions, report concerns or progress, discuss the need for resources, and share information. The Coalition will revisit the 90 day meeting cycle after one year.

Although Driver Champions schedule their own meetings on the dates/times of their choosing, Champions are requested to schedule a Destiny Driver meeting the same day as the Coalition meeting. This will provide an opportunity for the public to participate in the Voyage Forward effort without scheduling multiple meetings. It also encourages cross collaboration as Stewards may participate in multiple meetings on the same day; this is especially helpful for those Stewards who are involved in multiple Destiny Drivers either as an active participant or a key stakeholder.

Drivers will be provided with a meeting room in one location so that anyone involved in multiple Drivers may move from room to room in order to stay involved and up-to-date on progress.
