

THIS COULD BE YOUR OFFICE VIEW

Make your dream come true

In Koochiching County we enjoy being away from the hustle and bustle. We walk out our backdoor and have access to forests, lakes, rivers, wildlife and multiple activities. If you enjoy nature, clean water and air, and access to beautiful Voyageurs National Park, then you would feel at home.

We offer

- A community spirit with caring neighbors.
- Four distinct seasons to enjoy a myriad of recreational activities.
- Impressive transportation including daily service at an international airport and rail.
- A variety of business development sites including a Foreign Trade Zone.
- Border communities embracing our Canadian neighbors and international culture.
- Affordable housing and utility costs in communities with low crime rates.
- Public, private and magnet schools plus a nationally recognized community college.
- State-of-the-art health care including clinics, a hospital, and quality senior living.
- Winter and summer festivals that showcase arts and culture year-round.
- Natural historical sites and spectacular scenery ready to explore.
- An unbeatable office view of forests, lakes and rivers.

WHAT'S YOUR OFFICE VIEW?
